PONTIFICAL COLLEGE  
JOSEPHINUM

PARENTS' & FAMILY WEEKEND

September 22 – 24, 2017

**“He prefers to let himself be contained in little things,** unlike ourselves, who always want to possess something greater. To be attracted by power, by grandeur, by appearances, is tragically human. It is a great temptation that tries to insinuate itself everywhere. But to give oneself to others, eliminating distances, dwelling in littleness and living the reality of one’s everyday life: this is exquisitely divine.”

Excerpt from Pope Francis  
World Youth Day  
Krakow, 2016

## FROM THE RECTOR

*Welcome to Parents' and Family Weekend, the Josephinum's annual celebration of family life! We hope that all of you – parents, brothers and sisters, extended family and friends – enjoy your time on our campus. We want to share a part of our life with you because you have shared an important part of your life with us. Thank you for the gift of your son, brother or friend. Thank you for the support that you give him. We recognize that the life of the Holy Spirit, which has brought him to these doors, began within the walls of your home. The Second Vatican Council called the family “the first Church”, because it is within the family that prayers are first learned, virtues are taught by example, and the spiritual life begins. It is fitting that we can share this special place with you because you have given us the gift of a seminarian, who, as an integral part of our community, makes this place the special and holy place that it is.*

*Sincerely yours in Christ,*

*Reverend Monsignor Christopher J. Schreck  
Rector/President*
